NOTE FOR CIRCULATION

FOOD PRODUCTION - Revised Policy - Implementation - Additional staff for Collectors - Proposals of Board of Revenue - Sanctioned.

In order to implement the Revised Food Production policy of the Government of India effectively in the Province, the Commissioner of Food Production issued a circular to all the Collectors making them responsible for the attainment of targets in their respective districts. The Collectors were also informed by him that, if any additional staff was necessary for the swift compilation of data and for correctly assessing the results, the proposal would be considered favourably. The Board of Revenue (F.P) accordingly received proposals from the Collectors of districts for employment of additional staff to cope with the work and the Board then examined the staff position in the districts, irrespective of whether there are any proposals from the particular Collector or not. It was reported that 14 districts were having Statistical Assistants already and that leaving Madras, the Government had to sanction Statistical Assistants in the grade of a Tahsildar or Deputy Tahsildar for the remaining 10 districts, with an additional Upper division clerk for each. As regards the field work, the Board considered that there should be a special Revenue Inspector and one additional lower division clerk for each taluk and sub-taluk for preparation of reports. On this general basis and with regard to the needs of each district, the Board recommended the employment of 8 Statistical Assistants in the grade of Tahsildar, 1 Statistical Assistant in the grade of Deputy Tahsildar, 20 Upper division clerks, 78 Lower division clerks and 9 peons in this connection for the several districts.

In view of the urgency of the matter, this Department proposed to sanction the staff as shown in the order annexed to this note. The Finance Department accepted this Department's proposal, subject to the remark that it should be placed before the Cabinet Committee for Food Production for approval of the same. The proposal was accordingly placed before the Committee at its meeting held on 14th October 1949 and was approved by it. Orders were issued in G.O.No.1232 Food & Agriculture dated 24th October 1949 (copy annexed).

This note is now circulated to other Hon'ble members of the Cabinet who have not seen the case.
